

Sinclair Broadcasting's has decided to air an anti-Kerry documentary days before the election. I believe this a violation of the spirit if not the actual law and the fairness doctrine. Sinclair uses the public airwaves free of charge, and is obligated by law to serve the public interest. I believe it is not in the public interest to air a biased documentary as "news" without equal time allocated to an unbiased source. Sinclair's actions show why we need to strengthen media ownership rules, not weaken them. They show why the license renewal process needs to involve more than a returned postcard. I intend to challenge the license renewal of my local Sinclair broadcasting station. Thank you.
